Re: United States v. Samuel Waldman
14 Mj. 432 (UA)

DOC # 10

Dear Judge Freeman:

As counsel to Samuel Waldman, I write with the consent of the government and Pretrial Services to respectfully request that the Court modify his bail conditions to permit him to obtain a BlackBerry telephone with software that prohibits access to the internet but permits the receiving of emails only.

Mr. Waldman was presented in the Southern District of New York on March 5, 2014, on a complaint charging him with one count of possession and distribution of child pornography. He was released with a set of bail conditions including, as relevant here, that he shall not possess any device with access to the internet.

Mr. Waldman needs access to work-related emails as part of his work as a real estate broker. The requested modification would permit him to obtain a BlackBerry telephone with software that would allow him to receive emails only, but would not allow broad access to the internet.

*So ORDERED
